NOTE FROM OUR NURSE

Free COVID testing thru SMSD:
SMSD continues to offer FREE testing for students, staff and their families. This is for anyone feeling unwell or with a known exposure. Please call the nurse at 913-993-7816 if you have symptoms, have been exposed to COVID, or have questions about testing. **The test site has moved to 6701 W. 83rd Street (the Early Childhood Education Center); call 913-993-6218 for an appointment.**
*****PCR testing is the only type of testing that is accepted by SMSD for returning to school if you have felt ill or have been exposed to COVID. Home test kits and rapid or antigen test results are not accepted for return to school after illness or exposure.**
Free COVID testing for anyone:
Anyone can get a FREE test for ANY reason (travel, just to check, etc.) thru this site: https://www.coronavirus.kdheks.gov/280/COVID-19-Testing. Please note that gogettested.com no longer has any test sites in Kansas, but there are plenty of other locations (including Jo Co Community College) available.
Feeling under the weather?
It is very important that people who have NEW symptoms of COVID-like illness stay home. As a refresher, here are the symptoms: https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html. Please note that many recent cases of COVID here at West do not involve a fever or cough. Stay home even if you think it's "just a cold." **It is always best to test.** This is critical for limiting the spread of COVID. **Stay home when you don't feel well. Call the nurse 913-993-7816 (we need to track numbers!) and test. It is always best to test.**

Health Partnership Clinic

Health Partnership Clinic Open at SM West

A school-based health clinic for all Shawnee Mission School District students and their siblings (3 to 20 years old) SM West High School, 8800 W. 85th St.

The clinic will be open from 11 a.m. to 3 p.m. on Thursdays, except when school is not in session.

Health Partnership Clinic (HPC) and the Shawnee Mission School District are partnering to provide access to primary and preventative health care, chronic disease management, mental health services, and dental care to district students and their siblings.

For more information about the Health Partnership Clinic, or to schedule a medical appointment, Shawnee Mission School District parents should call 913-648-2266.More information also is available here.

Services will include:

Physical exams
Sports physicals
Immunizations, including vaccines for COVID-19
COVID testing
Age-appropriate health screenings
Preventative education
Referrals to specialty services
Sick visits
Management of acute and chronic problems and mental health services
Dental Care including screenings, fluorides, and restorative care

Most insurance plans are accepted, including KanCare/Medicaid. As a community health center, HPC offers a sliding-fee discount program which is based on income and household size. Fees are waived for students experiencing homelessness. Free medicaid and Marketplace insurance enrollment will also be available.

“The idea is to break down barriers to health care,” Shelby Rebeck, health services director for the Shawnee Mission School District shared. “Barriers for many of our students include low income, lack of knowledge, lack of transportation and parents’/guardians’ inability to take time away from hourly jobs. Health Partnership provides a tremendous opportunity for our students to receive critical health care so they can be successful in school.”

The clinic offers pediatric-focused care to treat most health conditions that affect children and adolescents, Amy Falk, HPC’s chief executive officer shared.

“We basically function as a doctor’s office, but in a school building,” Falk noted. “Services are available in person or virtual, and walk-ins will be accommodated if the schedule permits. The primary goal is to provide easy, immediate access to quality and affordable health care.”

The goal is to serve as a medical home for students and offer an additional access point to primary care, Wael S. Mourad, MD, MHCM, FAAFP, and HPC’s chief health officer, shared.

“Beyond a focus on primary health care, it is important we meet the social and emotional needs of children and adolescents to help them reach their individual potential,” Mourad added.

The clinic will open across from the nurse’s office at SM West. "The Shawnee Mission School District and Health Partnership Clinic are an example of how two organizations can come together to help improve the lives of children,” says Steve Loe, principal of Shawnee Mission West High School. “The school-based health clinic will greatly expand the resources of our school nurse and social worker and help support our goal to have every student succeed.”

Technology and MacBook Help

If your student has an issue with technology we ask that you FIRST try to do some independent problem solving.

1) Try going to the SM West Website to look at the **Technology Rescue Site**. This google site has many solutions that students can do at home to problem solve their tech issues.
2) Go to the "Lifesaver" icon on your browser bar. This takes you to the SMSD Help Desk to complete a Help request.

Español:
El 16 de agosto, el personal y los voluntarios distribuyeron MacBooks a los estudiantes. Si su estudiante no recibió un MacBook, por favor sea paciente. Si su estudiante tiene un problema con la tecnología, le pedimos que PRIMERO intente resolver algunos problemas de forma independiente.

Canvas

Canvas is an educational and information portal that our teachers use to post assignments, curriculum content, calendars...and more. All students will have a Canvas Portal that will house the pages from their teachers. Parents can also sign up as an Observer in Canvas. Observers can link their Canvas account to their student's account so they can see assignment due dates, announcements, and other course content. Observers can view the course content but cannot participate in the course.

The smsd.org website has a tremendous amount of information and guides to help parents learn more about Canvas.

Food Service Announcement

Food Service welcomes every student to enjoy FREE school breakfast and lunch for the 2021-22 school year.

Once again, the United States Department of Agriculture (USDA) has put into effect nationwide waivers allowing school food service departments to continue to serve healthy school meal options free to all students.

There are no Free & Reduced Meal Applications for 2021-22 school year since meals are FREE for all students.

Families are encouraged to complete a Household Economic Survey (HES) as part of the Parent Online Verification available on Skyward sometime in July. The purpose of the HES form is to assist families and our district in the upcoming year.

- Even though all students will be able to eat breakfast and lunch at no cost this year, the HES form generates additional state funds for our schools.
- If your family qualifies, the district will receive funds to help support programs providing additional support for learners with a variety of needs.
- Additionally, qualifying on the HES provides other benefits to families which may include free/reduced transportation fees and preK enrollment. If families do not complete the HES, State funding for our school district may be reduced.
- **Do not complete the HES form if you are Directly Certified to receive free meals.** If you receive state assistance, call the SMSD Food Service office before completing the HES form.

Eligibility determination will be made according to the guidelines established by the Kansas Department of Education. Please contact the SMSD Food Service office with any questions.

This institution is an equal opportunity provider.
Monitor student meal accounts by visiting SchoolCafé. You'll need to set up username and password. There are multiple benefits to this new software including the ability to:
